Tie Your Employees Pay to the Performance They Make Happen With Gainsharing

Do you need to drive your **payroll** and **healthcare costs** down?

Are your employees **expecting raises**?

Are your material and energy **costs increasing**?

How can you respond to these pressures and increase the bottom line at the same time?

Industry leaders are using **Gainsharing** performance based pay systems to give their people Gainsharing bonuses for driving performance up and costs down.

The Wall Street Journal recently reported . . . that "35% of companies have incentive plans for non-management employees and 10% more are considering them."

We hope you use this site to learn more about Gainsharing. We encourage you to **contact us** via phone or email for more specific information about how your Company can gain competitive advantage with Gainsharing.
